On holiday 365

Tourist infrastructure creates excellent living conditions in Sotkamo.

In dynamic Sotkamo, the holiday atmosphere isn't limited to the summer months. In addition to the stunning natural surroundings, you can enjoy Vuokatti's first rate tourism and leisure infrastructure year-round, every day.

Culture and events

Sotkamo's event calendar is filled with fantastic events. One of the year's highlights is the Humor Festival, which gathers comedians and

entertainers from both Sotkamo and across Finland. Sotkamo-Day offers a variety of activities for all ages and showcases local culture and community spirit. Additionally, we host several other events that enrich the local cultural scene and provide experiences for both residents and visitors.

Paradise for families with children

Young people in Sotkamo are considered in everything.

Sotkamo is recognized by UNICEF as a Child Friendly City. We provide diverse services that support the daily lives of families with children, making Sotkamo an ideal place to raise kids. The municipality has invested in the quality of basic services, and there are also efficient and diverse social and healthcare services here.

Education in Sotkamo is top-notch. Community-oriented and high-quality comprehensive education is offered, including at the new Tenetti Lower Secondary School. After completing basic education, students can continue their education to Sotkamo General Upper Secondary School which provides its students an opportunity to study in a sports programme in addition to the national general programme. Vuokatti-Ruka Sports Academy enables young athletes to combine training with studies. Higher education opportunities are available through Kajaani University of Applied Sciences and Jyväskylän University's Vuokatti Sports Technology Unit.

The high quality of education and diverse recreational opportunities ensure that children and young people get the best possible start in life. Plus, there are more opportunities just a half-hour away in Kajaani!
