BEARINGS AND POWER TRANSMISSION PRODUCTS FOR EVERY NEED

High-quality top brands with fast and punctual deliveries

YOUR TRUSTED PARTNER SINCE 1992

Laakeri-Center Oy Ab is a reliable supplier of high-quality bearings and power transmission products. We import and stock leading international brands, ensuring fast and precise deliveries tailored to your needs. From everyday requirements to special solutions, we deliver the right products quickly and easily.

Our nationwide service network operates in Helsinki, Tampere, Turku, Vaasa, Kotka, and Jyväskylä. At the heart of our operations is the modern central warehouse and pick-up point in Hollola, from where we deliver directly to customers across Finland – efficiently and on time.

With over 55,000 product lines in stock – including exclusive items unavailable elsewhere – we continuously develop our range based on customer needs. Whether it's a single machine part or a larger delivery, you can count on us.

Our experienced staff knows the industry and products inside out. Combined with our easy-to-use online store showing real-time availability, working with us is always smooth and straightforward.

Bearing-Center – Quality, reliability,
and logistics you can count on.

CENTRAL WAREHOUSE IN HOLLOLA

Our modern two-level warehouse in Hollola, located with excellent transport connections, ensures quick and flexible deliveries across the country. Clear product categorization and additional capacity enable continuous expansion of our range.

The warehouse also houses a sales office, offering expert support and guidance for all customer needs.

FAST DELIVERIES – WHEREVER AND WHENEVER NEEDED

With over 55,000 products ready to ship from our Hollola central warehouse, Bearing-Center is the trusted logistics partner for Finnish industry. Regional warehouses located alongside our offices serve local customers with just the right products, close at hand.

Automated stock control keeps inventory levels up to date, ensuring timely replenishment. Deliveries are fast, precise, and reliable – allowing you to focus on your core business while we take care of the logistics.

**Bearing-Center – hassle-free deliveries
with speed and reliability.**

BEARINGS

Our warehouse stocks both standard bearing series and special bearings from well-known manufacturers. The selection also includes various other bearing products such as needle.

STANDARD BEARINGS

- › Deep groove ball bearings
- › Spherical roller bearings
- › Cylindrical roller bearings
- › Tapered roller bearings
- › Angular contact ball bearings
- › Self-aligning ball bearings
- › Four-point bearings
- › Barrel roller bearings
- › Full complement roller bearings
- › **INA-FAG, IBC, ISB, NTN-SNR, NKE**

OTHER BEARINGS

- › Miniature bearings
- › Electrically insulated bearings
- › High-temperature bearings
- › Stainless steel bearings
- › Inch-size bearings
- › Plastic bearings
- › Split spherical roller bearings
- › Sealed spherical roller bearings
- › Freewheels, clutch bearings, and backstops
- › **A&S, INA-FAG, IBC, NTN-SNR, ISB, BECO, NKE**

NTN

BEARINGS

PRECISION BEARINGS

- › Machine tool bearings
- › Standard bearings in precision versions
- › Sealed precision bearings
- › **INA-FAG, IBC, NTN-SNR**

BEARING HOUSINGS AND ACCESSORIES

- › Steel and spheroidal graphite cast iron housings
- › Sleeves
- › Locknuts
- › Precision locknuts
- › **FAG, NTN-SNR, HFB, ISB**

SPHERICAL PLAIN BEARINGS AND ROD ENDS

- › Radial, axial, and angular contact designs
- › Available maintenance-free or relubricable
- › Also in inch sizes and stainless steel versions
- › **INA, ISB, RODOBAL**

MOUNTED BEARING UNITS

- › All types according to Japanese JIS and European standards
- › High-temperature bearing units
- › Stainless steel bearing units
- › Plastic bearing units
- › Inch-size bearing units
- › Solid oil lubrication units
- › **FYH, INA-FAG, NTN-SNR, HFB, ISB, BECO**

NEEDLE BEARINGS

- › Metric and inch sizes
- › Support rollers and cam followers
- › **INA, MCGILL, ISB, NTN-SNR**

PLAIN BEARINGS

- › Straight and flanged types
- › Maintenance-free or grease-lubricated
- › Bronze and oil-impregnated bronze versions
- › **INA, ISB**

Markkinoiden laajin vierintä- ja lineaarilaakereiden tuoteportfolio Schaefflerilta

Jatkuvasti uudistuva ja kehittyvä INA- ja FAG –tuoteperhe saatavissa suoraan virallisen jälleenmyyjän kattavasta varastosta, sisältäen BETEX –asennus ja irroitustyökalut sekä lämmittimet. Laiterikojen ennaltaehkäisemiseksi Schaeffler tarjoaa myös kehittyneet kunnonvalvontajärjestelmät, voitelijat sekä ensiluokkaiset vierintälaakereiden voitelurasvat.

Varastointi-ohjelmassa muun muassa:

- Kunnossapitoaika huomattavasti vähentävät jaetut pallomaiset rullalaakerit messinki- ja polyamidipitimellä
- Optimoitu jaettu SES -laakeripesäsarja integroidulla rasvanjakouralla ja poistoporauksella
- Uudistunut eristettyjen sähkömoottorilaakereiden sarja, 3000V/250MΩ, myös sisäkehältä eristetty versio
- Yksi- ja monipistevoitelijat sekä vierintälaakereilla testatut korkealaatuiset Arcanol rasvat

SCHAEFFLER

POWER TRANSMISSION

CHAINS

- › Roller chains
- › ANSI chains
- › Conveyor chains
- › Stainless steel, maintenance-free, and lubrication-free chains
- › Leaf chains
- › Special chains
- › **ELITE, IWIS**

Our wide power transmission selection covers everything from chains to belts and couplings. We represent high-quality international brands trusted worldwide.

SPROCKETS

- › Taper Lock sprockets
- › Pre-bored hub and plate sprockets
- › Hardened and stainless steel sprockets
- › Special sprockets, fully machined
- › Idler sprockets, chain tensioners, and tensioner sprockets

POWER TRANSMISSION

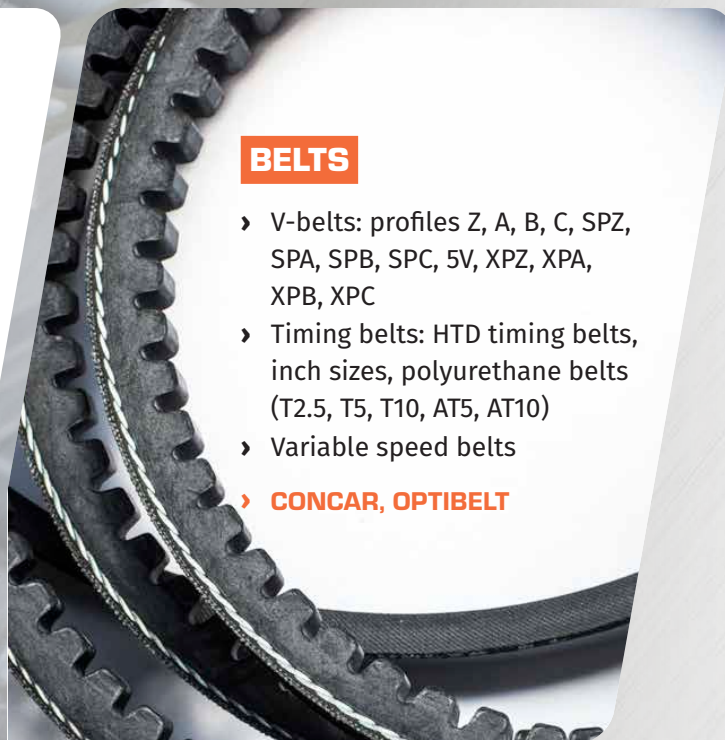

PULLEYS

- › V-belt pulleys with Taper Lock mounting and custom-made to drawings
- › Timing belt pulleys:
HTD pulleys (8M, 5M, 3M, 14M) and
T-profile pulleys

BELTS

- › V-belts: profiles Z, A, B, C, SPZ, SPA, SPB, SPC, 5V, XPZ, XPA, XPB, XPC
- › Timing belts: HTD timing belts, inch sizes, polyurethane belts (T2.5, T5, T10, AT5, AT10)
- › Variable speed belts
- › **CONCAR, OPTIBELT**

ConCar
POWER TRANSMISSION SYSTEMS

ConCar laadukkaat kiilahihnat ja hihnapyörät – yli 40 vuoden ajan.

Yksi Euroopan suurimmista hihnavarastoista.

FRICTION & TAPER BUSHES

- › Taper Lock bushes
- › Keyless locking devices
- › Weld-on hubs

FREEWHEELS

- › Freewheels
- › Backstops with brakes
- › Torque limiters and overload clutches
- › **RINGSPANN, ISB**

COUPLINGS

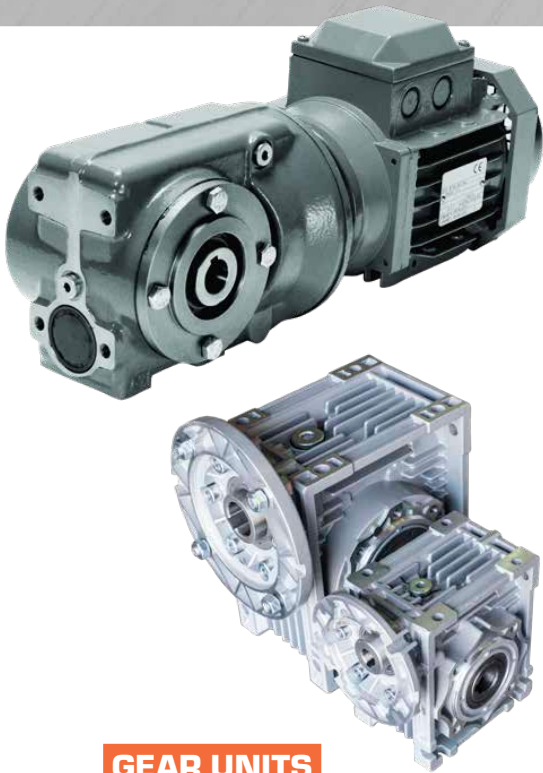

- › Jaw couplings and elements
- › Sleeve couplings
- › HRC jaw couplings
- › Long- and short-hub gear couplings
- › Industrial couplings

MODULAR GEARS & RACKS

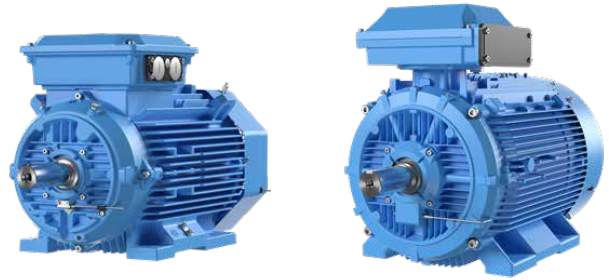

- › Spur gears for different modules
- › Bevel gear pairs
- › Gear racks

POWER TRANSMISSION

GEAR UNITS

- › Helical, bevel, worm, and pin gear units
- › Worm gearboxes
- › Frequency converters
- › **BENZLERS, SATI**

ELECTRIC MOTORS

- › Standard and process motors
- › ABB M2BAX, M3BP, and M3AA series
- › IEC dimensions, protection class IP55
- › Mounting types: B3, B5, B14, B34, B35
- › 2-pole (3,000 rpm) and 4-pole (1,500 rpm)
- › 6-pole (1,000 rpm) and 8-pole (750 rpm)
- › **ABB, SATI**

FREQUENCY CONVERTERS

- › ABB ACS580
- › **ABB**

SERVICES

SHAFT AND LINEAR RAIL CUTTING SERVICE

- › Wide selection of linear guides and shafts
- › We cut guides and shafts to customer specifications
- › **INA, EWELLIX, BOSCH REXROTH**

GEAR MOTOR ASSEMBLY SERVICE

- › We assemble gear motors tailored to customer needs – quickly and professionally
- › Required components available from our extensive stock
- › **BENZLERS**

LOGISTICS SOLUTIONS

- › We design efficient logistics solutions customized for each customer's individual requirements

TOOLS

MOUNTING AND MAINTENANCE TOOLS

- › Bearing mounting and dismounting tools
- › Automatic lubricators
- › Condition monitoring devices
- › **SCHAEFFLER, BAHCO, FERVI, KUKKO**

MACHINES AND WORKSHOP EQUIPMENT

- › Various brands of electric, cordless, and mechanical machines
- › Machine accessories
- › Measuring devices
- › Workbenches, cabinets, and tool trolleys

HAND TOOLS

- › Wide range of professional-grade hand tools available directly from stock
- › **FERVI, BAHCO**

CUTTING TOOLS

- › Drill bits and sets
- › Milling cutters
- › Taps and tap sets
- › Band saw blades for wood and metal
- › Helicoil thread repair kits
- › **DORMER PRAMET, FERVI, VÖLKEL**

OTHER PRODUCTS

Our broad range is complemented by personal protective equipment, chemicals, seals, and accessories.

ABRASIVES

- › Cutting discs
- › Grinding discs
- › Sanding belts
- › Wire brushes
- › Polishing accessories

PERSONAL PROTECTIVE EQUIPMENT

- › Work gloves
- › Safety glasses and masks
- › Respiratory protection
- › Hearing protection
- › Safety footwear and protective clothing
- › Head protection

**Ask our representatives

OTHER PRODUCTS

SEALS

- › Shaft seals, O-rings, and V-rings (also in inch sizes)
- › Materials: NBR, Viton, and special compounds
- › Hydraulic seals
- › Repair sleeves
- › Speedi-Sleeves

ACCESSORIES

- › Retaining rings
- › DIN 471 and DIN 472 circlips (also in stainless steel)
- › Nilos rings
- › Balls, rollers, and needles
- › Adapter rings

PNEUMATICS

- › Cylinders
- › Valves
- › Pneumatic hoses and fittings
- › Maintenance units

› **FESTO**

INDUSTRIAL CHEMICALS & LUBRICANTS

- › Full CRC industrial product range: oils, cleaners, lubricants, and corrosion protection
- › Loctite adhesives, sealants, threadlockers, and gasketing products
- › Bearing greases
- › Food-grade approved chemicals
- › Automatic lubricators
