

HALTIA  
THE FINNISH NATURE CENTRE

THE GATE TO FINNISH NATURE

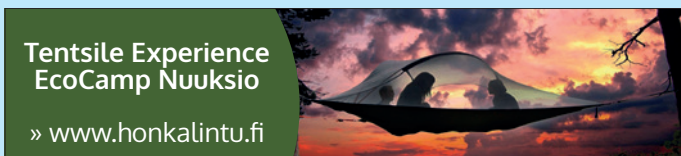

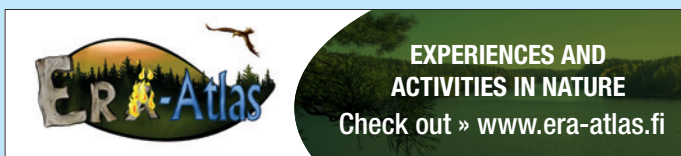

# WELCOME TO HALTIA!

Finnish Nature Centre Haltia is located adjacent to the Nuuksio National Park.

Haltia is active all year round. We organise a range of courses, events and activities for people of all ages. We also rent out cosy meeting and sauna rooms with comprehensive services. The spaces are ideal, for example, for staff recreational days, and you can use one of our meeting packages or plan a customised event for your group. All our visitors are served by Restaurant Haltia.

Haltia's exhibitions feature scenery from Finnish National Parks and present some of the natural attractions in the capital region. Our permanent main exhibition showcases Finnish nature. The five temporary exhibitions change once every 3–12 months.

Sustainability is the cornerstone of our operations. Both the Haltia building and all the services provided on the premises fulfill ambitious sustainability criteria and take into account the surrounding nature. We also encourage our visitors to enjoy sustainable hiking.

## NATURE IS OPEN FOR ALL

The Haltia main entrance is also a gate to the vast wilderness and lake upland nature of Nuuksio. The area offers abundant hiking trails for all skill levels. Three short circular hiking routes start right next to Haltia, welcoming you to explore nature while visiting the nature centre. One of the routes is accessible.

If you have any questions on selecting a suitable route or other hiking matters, please turn to our customer service. We are happy to help!

We organise events, hikes, courses and workshops for all nature and hiking enthusiasts. The majority of our events take place in Haltia, but we also organise events elsewhere in Finland.

**ELÄMYSTÖRPPÄ**  
**Forest Escape**  
Teamwork, insights and successes—as well as Finland's magical nature  
Your group has been able to escape and is hiding out in the forest.  
Can you find your way to safety? In the Last of Us- escape game, your group will be taken into the middle of the forest. You will have to solve puzzles, find an escape code and be able to get out of the forest!  
Equipment to be used: a backpack and a phone.

## NATURE TEACHES AND INSPIRES

The Haltia nature school, exhibitions and surrounding nature welcome early education and school groups to actively learn about nature. We offer diverse training options also to educators, along with support materials for environmental education.
