

# OLYMPIASTADION

HELSINKI-FINLAND

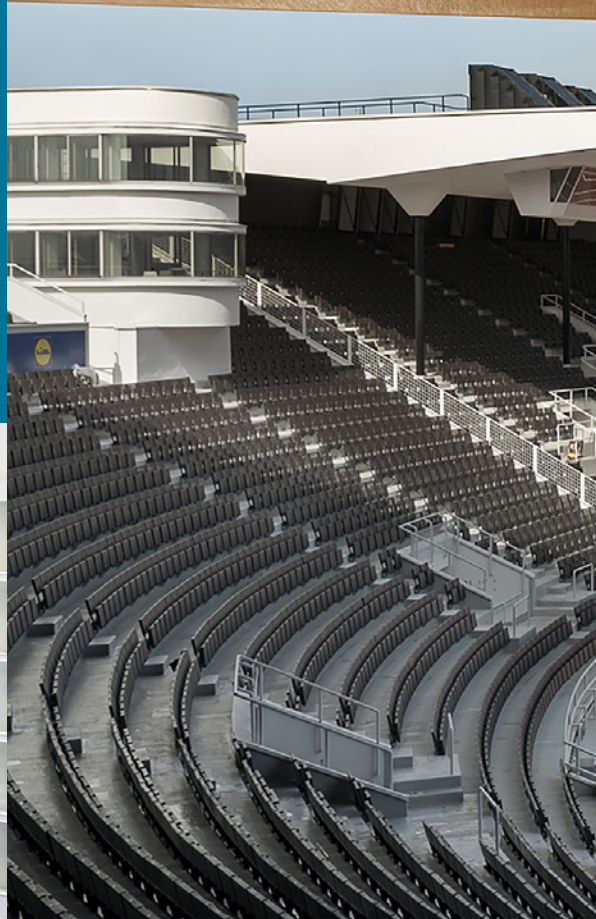

The refurbished Olympic Stadium provides a wonderful experience and setting for shared encounters and unique memories in events, meetings, visits and exercise. Outside more formal events, the star of Finnish functionalist architecture is also an open venue of encounters of the locals and tourists.

For generations, the Stadium has been the arena of beating hearts — and the new era is equally full of emotions. The Olympic Stadium has that something unique.

# TAKING PLACE AT THE STADIUM!

The events at the Stadium provide you with unique moments – alone and in company. It is a venue for genuine stadium-category events but also for more intimate meetings. This is a place to organise an event for a couple of hundred participants or a mega happening of 50,000 people.

# WHAT A PANORAMA!

The Stadium Tower is a characteristic icon which identifies the Helsinki Olympic Stadium among its peers around the world. It is also one of the best known constructions and sites in Helsinki and Finland. From the Tower top at 72 metres, you will have a magnificent view over Helsinki.

The Tower is open on weekdays until late, and you can visit it on weekends, too. The opportunity to see the city in evening light is something that has interested people over the decades. Entrance tickets for the Tower are available at the Olympic Stadium visitor centre and at [lippu.fi](http://lippu.fi).

For Tower opening hours,  
please go to [www.stadion.fi](http://www.stadion.fi)

# PAST AND PRESENT

During the guided tour, you will immerse in the Stadium story from the 1930s to the present. The tour also takes you to the new underground world of the Stadium. At the end of the tour, you can also visit the Sports Museum and go up the Stadium Tower. The visits to the Museum and Tower are included in the guided tour price.

Tickets for the open public tours are available at [www.lippu.fi](http://www.lippu.fi)

# A VENUE OF ENCOUNTERS

The Olympic Stadium will have the space for many sizes of encounters. The Stadium meeting and multipurpose facilities adapt to event needs, and the different rooms and facilities can be combined for bigger event uses.

For a break in the meeting routine, take a visit to the Tower or a tour of the Stadium, or why not indulge in a moment of exercise.

Read more about the meeting facilities at [www.stadion.fi](http://www.stadion.fi)

# EXERCISE AND SPORTS

The classic but updated and new facilities for physical activities are characterised by a unique atmosphere.

The exercise and sports world at the Stadium provide and excellent venue of regular sports association training hours, work-related wellbeing events and private exercise moments.

For exercise services,  
please go to [www.stadion.fi](http://www.stadion.fi)

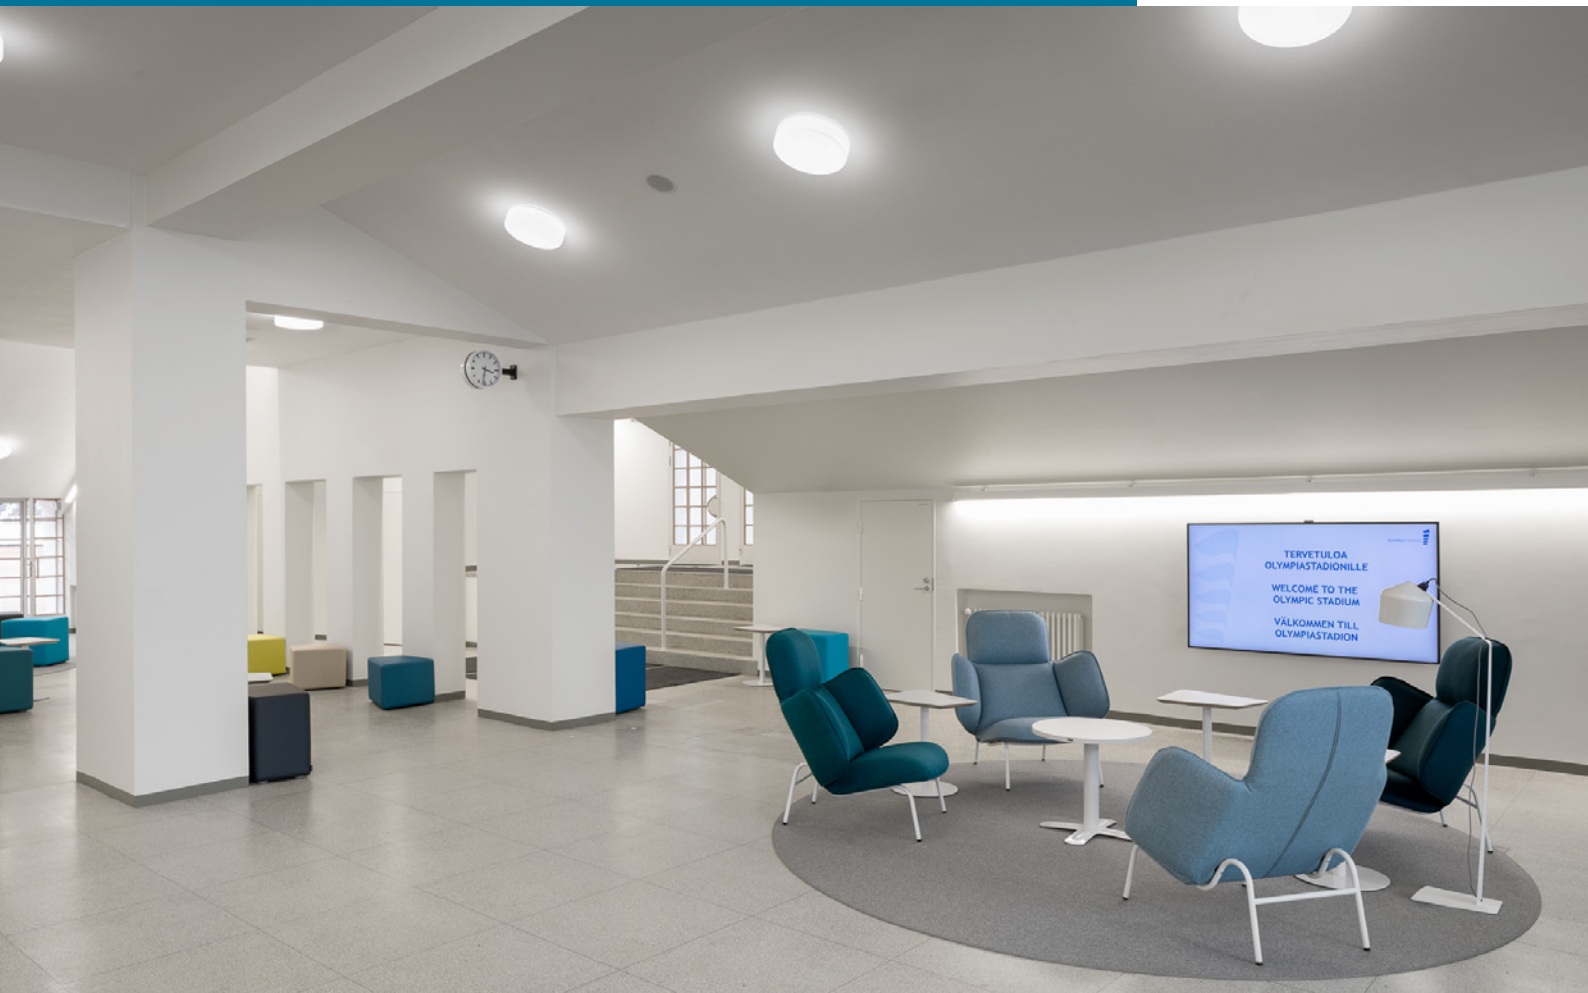

# STADIUM BUSINESS PREMISES

The Olympic Stadium also includes office premises for companies and organisations of various sizes and needs. The multipurpose solutions at the Stadium offer options for the most varied working formats, and its central location and smooth communications guarantee excellent accessibility.

And of course, the unique Stadium spirit tops the offer.
